

*Our staff at our Greenport and Southold residences contributed their photos for this story.*

Our Greenport home loves to show off their culinary skills. During the Coronavirus outbreak, residents and staff have started their own tradition of preparing a delicious lunch on Fridays. They love to BBQ (even in the rain!) and have prepared and grilled chicken kabobs and fajitas to enjoy. Most recently, pizza with all the fixings was on the menu. Residents enjoyed preparing their own personal pizzas and eating them too, of course.

Our Southold home is getting in on the action too. Residents and staff have made carrot soup, pizza and delicious naan bread too!

These wonderful homes have truly found the joy of cooking during this challenging time. They may have to have a cook-off soon with all of their impressive cooking skills.
