

Association for Habilitation and Residential Care

Thank you for your interest in our Family Reimbursement Program. This program assists families with costs that are above and beyond typical expenses incurred by their family member's developmental disability.

Please carefully review the attached guidelines for the 2022 fiscal year. In order to service as many families as possible, a new application must be submitted each fiscal year with priority given to first-time applicants.

Please fully complete the **Universal Reimbursement Request Application** and **Attestation**. Also include receipts/invoices and, if applicable, the **Receipt of Payment for Respite**. The application can be emailed, faxed or mailed:
